Grape Hyacinths

Please note that the bulbs offered here are large size, No. 1 grade selected and should not be compared with second and third grade bulbs offered at lower prices.

FERTILIZERS, LAWN SEED, HYPER-HUMUS, ETC.

SMALL'S GRASS SEED

SMALL'S REGULAR GRASS SEED

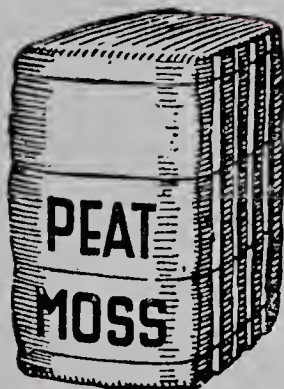

This mixture was prepared for general use, for wide sweeps of unbroken lawn, or short, sunny banks, and yards. It is free from weeds, chaff and dirt, and will produce a smooth, even green surface within a few weeks from sowing. It is priced at 40c. per lb. in 1 lb. pkgs.; 38c. per lb. in 10-lb. bags and in 100-lb. bags.

SMALL'S SHADY SPOT GRASS SEED

No grass can be expected to grow under the lowest limbs of evergreen trees, but where there is circulation of air and a ray of sunshine, this mixture will give a satisfactory result. It is priced as follows: 45c. per lb. in 1-lb. pkgs.; 42c. per lb. in 10-lb. bags and in 100-lb. bags.

PEAT MOSS

Imported Granulated

A moisture-retaining humus and an aid in saving soil fertility. It furnishes the needed organic matter which all soils require. An excellent material for spreading on the lawn, mulching in the flower and vegetable garden, and especially desirable for the rose bed. Used extensively by leading florists for mixing with potting soil, for propagating benches, also for packing bulbs and plants. Large bale, \$2.75.

Hyper-Humus is a pure, organic material prepared for the purpose of building up the soil. Due to its fineness in texture and being non-acid, it is far superior to leafmold. Leafmold is very coarse and hard to procure, and being of an acid nature, is not adaptable to every kind of plant. Hyper-Humus, on the other hand, is easy to secure, is fine in texture, and decomposes much more quickly. Being neutral in action, it is adaptable to all plants.

1 100 lb. to 10 bags each
—a bag.....\$2.50
10 100 lb. bags (½ ton)...20.00
1 Ton (2000 lbs).....30.00

SPECIAL OFFER: 5 100 lb. bags.....\$11.25

FAIRWAY FERTILIZER

Anybody can distribute V-C Fairway, and any season is good for serving it to grass. Fall and Spring are best, but a top dressing of V-C Fairway now and then will keep the best of lawns in finer condition.

V-C Fairway is a dry and granulated powder, ready for use. Moderately priced, it comes in bags, 10 lbs. to 100 lbs., and is easily handled or stored. It is exactly the food that grass must have—the V-C Fairway balanced ration, the complete and carefully blended diet of good chemical elements. And it carries no weed seeds, no insect pests, no plant diseases.

10-lb. bag (enough for 500 sq. ft.).....\$0.85
25-lb. bag (enough for 1250 sq. ft.).....1.75
50-lb. bag (enough for 2500 sq. ft.).....3.00
100-lb. bag (enough for 5000 sq. ft.).....5.00
V-C Fairway is easy to use. Anyone can apply it

V-C Fairway
GRASS FOOD

Absolutely non-poisonous to children or pets but deadly to insects. Will positively not burn, blight, or stain the tenderest leaf or flower. It leaves no injurious residue on anything sprayed. Recommended highly for the Mexican bean beetle. A contact spray fatal to both chewing and sucking insects. 1 oz. makes 4 to 8 gals. of spray. Oz. 35c., 3½ ozs. \$1.00, ½ pt. \$1.75, qt. \$6.00, gal. \$20.00.

MISCELLANEOUS

SCALECIDE. A complete dormant spray unequaled for San José scale and other orchard pests. Dilute 1 gal. to 15 gals. of water. Qt. 70c., gal. \$1.75, 5 gals. \$6.00.

5/8-IN. GARDEN HOSE. Guaranteed for one year. 25 ft. \$1.25; 50 ft. \$2.50.

NEWEST GARDEN RAKE. Made of rubber; guaranteed 3 years. 16 in. \$1.00; 18 in. \$1.25.

COTTON SEED MEAL. 25 lbs. \$1.30, 100 lbs. \$2.25.

HYDRATED LIME. Unexcelled for sweetening sour land and soil. 10 lbs. 30c., 50 lbs. 65c.

SULPHATE OF AMMONIA. This material will stimulate growth almost immediately. 100 lbs. \$3.50.

TREE WOUND PAINT. For coating and protecting wounds, cavities and fresh cuts. 1 qt. can \$1.20, 1 gal. can \$3.00.

Complete line of Garden Tools, Insecticides, Power and Hand Mowers, also Fences of all Types.

POPULAR EVERGREENS for FALL PLANTING

Austrian Pine

Pyramidal Arborvitae

Plume Cypress

Moss Cypress

Scotch Pine

American Arborvitae (Thuja)

WE GROW A COMPLETE LINE OF EVERGREENS, FLOWERING SHRUBS AND SHADE TREES

AT OUR HOME FLOWER MARKET (OR) AT OUR NORBECK NURSERY

1503 Connecticut Avenue

Norbeck, Maryland

Austrian Pine (*Pinus nigra austriaca*). A very hardy conifer, of rapid growth. Carries whitish buds in Winter.

2 ft. \$1.45, 3 ft. \$2.25

Scotch Pine (*Pinus sylvestris*). Another rapid grower. Bluish green foliage. Very useful for skyline effects as it grows into a tall, rounded headed tree. 2 ft. 98c., 3 ft. \$1.75

Euonymus japonica (*Evergreen Burningbush*). A decorative shrub, with bushy, upright habit. Has lustrous, deep green leaves. Useful in foundation plantings and window boxes. 12 in. 35c., 24 in. 75c.

Irish Juniper (*Juniperus hibernica*). Usually grows with conical outline—a personality peculiar to this variety. Leaves deep green. 2 ft. 98c., 3 ft. \$1.85

Canadian Juniper (*Juniperus canadensis*). Splendid for rockeries and borders. Suitable for banks and similar locations as it grows rather low. 2 ft. \$1.25, 3 ft. \$1.98

Lawson Blue Cypress (*Cupressus lawsoniana*). Beautiful blue foliage, very hardy and one of the most desirable of our pyramidal evergreens. 18 in. \$1.25, 24 in. \$1.98

Golden Sawara Cypress (*Chamaecyparis pisifera aurea*). Lacy, golden yellow, feathery foliage—fernlike. An ornamental evergreen of great beauty quite different from other conifers. 3 ft. \$1.35, 4 ft. \$2.25

Plume Cypress (*Chamaecyparis plumosa*). Its branches are slender, pliable, assuming a plumelike form with the points prominent. Very graceful and much used in foundation plantings. 3 ft. \$1.75, 4 ft. \$2.45

Moss Cypress (*Chamaecyparis squarrosa veitchii*). Silvery blue foliage, dense and soft. A very graceful plant, and highly prized for hedges, foundation plantings or single specimens. 3 ft. \$1.95, 4 ft. \$2.50

American Arborvitae (*Thuja occidentalis*). Branches are short, horizontal, with bright, scaly green leaves—yellowish underneath. Very popular as a hedge plant; easily trimmed. 3 ft. 85c., 4 ft. \$1.75

Pyramidal Arborvitae (*Thuja occidentalis pyramidalis*). Grows into columnar form like the Irish Juniper. Much used as accent in plantings. Light green foliage. 3 ft. \$1.25, 4 ft. \$1.95

Globe Arborvitae (*Thuja globosa*). This is the American Arborvitae in globe form. Grows very compact—demands very little trimming to keep it symmetrical. 10 in. 75c., 15 in. \$1.10

Oriental Arborvitae (*Thuja orientalis*). A good accent plant. Stiff, upright growing. Carries bright green leaves turning to bronze in Winter. 3 ft. \$1.25, 4 ft. \$1.85

SHRUBS THAT BLOSSOM—We also have a large assortment of flowering shrubs at attractive prices.

Lawson Blue Cypress

Globe Arborvitae (Thuja)

Euonymus japonica

Irish Juniper (Juniperus)

At Our North Chevy Chase Nurseries

LARGE EVERGREENS at BARGAIN PRICES

WE have several blocks of fine, large evergreens that must be sold this Fall as they are now growing on land which has recently been sold. A few of these plants will give the immediate effect of a planting many years old and are offered at one-half their regular price. It will pay you to investigate this unusual opportunity.

Canadian Juniper

Golden Sawara Cypress

PLANT SMALL'S PER

A WORD about Fall planting—Roses, perennials and most bulbs really do better, especially the first Spring, if planted in the Fall. Why? Well, because the ground is warm and moist in the Fall, and the plants become well established, and they start off with a jump at the first sign of Spring.

• •

PARTIAL LIST of PERENNIALS

On display at our North Chevy Chase Nurseries

All our perennials are pot-grown, with well rooted galls and are easily transplanted without loss. It is suggested in ordering that you select varieties that will supply uninterrupted blooms throughout the season.

	Each	Doz.
Achillea (<i>Milfoil</i> , or <i>Yarrow</i>), The Pearl . White.....	\$0.20	\$2.00

Geum , Mrs. Bradshaw . Orange red; grows 12 in. high...	.25	2.50
Lady Stratheden . Yellow gold flowers; large.....	.25	2.50

* Gypsophila (<i>Babysbreath</i>). repens . White.....	.15	1.50
rosea . Pale pink.....	.20	2.00

Aquilegia (Columbine)

Gaillardia (Blanketflower)

Each Doz.

PERENNIALS THIS FALL

ROSES especially, are better planted in the Fall (See our Special Offer on next page). If your Roses are not planted in your garden this Fall they will have to be kept by the nurseryman in his cold cellar all Winter. Let them therefore be planted and become established in your garden. They should be properly heeled up four or five inches with soil, and mulched for Winter.

PERENNIALS—Continued

	Each	Doz.
* Helianthemum (<i>Sunrose</i> or <i>Rock-rose</i>). Assorted.....	\$0.25	\$2.50

FALL PLANTING *of* ROSES *is* BEST!

Willowmere

Etoile de Hollande

Rev. F. Page-Roberts

.. and ..

HERE ARE *the* REASONS

ROSES planted this Fall will give you stronger plants—more and better blooms—earlier in the Spring.

Rose experts advise Fall planting for Roses in our climate.

See further information on page 3.

Discard your weak or undesirable Roses and plant these favorites—
